Program Mission

Provide employment opportunities for people who are blind or have other severe disabilities in the manufacturing and delivery of products and the provision of services required by Federal customers
Committee Staff Responsibilities

- Establishing strategic direction for program
- Creating/Maintaining Procurement List
- Setting and revising Fair Market Prices
- Designating Central Nonprofit Agencies (CNAs)
- Making rules and regulations necessary to administer the Javits-Wagner-O’Day Act
- Assisting Federal customers increase their purchases under the program
NIB/NISH Responsibilities

• Oversee and assure nonprofit agency (NPA) contract compliance
• Solve problems; single point of contact for complaints or delivery issues
• Help educate customers
• Represent NPAs to the Committee
• Evaluate and report NPA qualifications and capabilities to the Committee
• Recommend suitable additions to the list including the initial fair market price
Nonprofit Agency Responsibilities

- Manufacture and deliver products or perform services as assigned by the CNA
- Meet qualification for participation
  - 75% of direct labor hour performed by people who are blind or severely disabled
  - Net income cannot benefit individual shareholder or other individual
- Maintaining qualifications to continue to participate
- Meet other requirements of Federal contractors
Why is This Important?

• Over 18 million working-age adults are blind or severely disabled. Over 70% of this population is not employed.

• The AbilityOne Program serves people who may otherwise have difficulty obtaining or maintaining employment.

• The AbilityOne Program is the single largest employer of Americans who are blind or have other severe disabilities.
Customer Focus

• Federal Government is the AbilityOne Customer
  – The AbilityOne Team must balance the needs of the Government and the employment needs of people who are blind or have other severe disabilities
  – Preferred Source vs. Mandatory Source
  – Provide Solutions
Benefits to the Government

• Quality products and services, on-time delivery
• Fair market prices, best value procurement
• National network of solutions providers
• Long-term relationships
• Moral satisfaction in helping people to help themselves
Benefits to the Employee who is Blind or Severely Disabled

• Wide range of employment opportunities
• Long-term work experience
• Marketable job skills
• Equitable wages and benefits, plus a chance to advance
• A measure of independence
