FBO.gov Transition

Katherine Rollins, FBO.gov Product Owner

Preparing for FBO.gov Retirement

Search agents and watch lists will not be migrated from FBO.gov to beta.SAM.gov

- Monitor the FBO.gov website for announcements about the transition.
- Create a beta.SAM.gov account and use the “Follow” button on beta.SAM.gov to “watch” procurements prior to the transition.
- Create and save searches you frequently use prior to the transition.
- Learn about new opportunity APIs in the Learning Center.

The screenshot shows the 'Saved Searches' interface on FBO.gov. On the left, there is a 'Search Results' sidebar with a 'Saved Searches' section. It includes a search box with a 'Search' button, a 'Keywords' input field, and a 'Clear All' button. Below this is a 'Domains' section with several checkboxes: 'Select all', 'Assistance Listings', 'Contract Opportunities', 'Contract Data', 'Entity Information', and 'End of Mission'. The main workspace is titled 'WORKSPACE Saved Searches' and shows 'Showing 1 - 5 of 5 results'. A 'Sort By' dropdown is set to 'Date Last Saved'. The results are displayed in a table with columns: 'Domain' (All Domains), 'Page' (1), 'Date Last Saved' (Aug 20, 2018), 'Date Last Run', 'Keyword(s)' (Transportation), 'Sort By' (Relevance(Desc)), and 'Active Only?' (Yes). The table has a header row for 'Transportation' and a footer row for 'Grants'. There are 'Actions' dropdown menus for each row.

WDOL & Wage Determinations

Looking ahead to the future WDOL.gov decommissioning

All mockups of future wage determinations functionality are subject to change prior to WDOL decommissioning. We are still making minor changes based on user feedback and other factors

Preparing for WDOL.gov Retirement

What should you do and know before the transition?

- Monitor WDOL.gov for announcements about the transition.
- Visit beta.SAM.gov to learn about the new site before it becomes the official site
 - Look for “Wage Determinations” on beta.SAM.gov - this is the term we are using
 - Search for wage determinations by id and using the workflows
 - Create a user account and start “following” wage determinations
 - Provide us feedback

Preparing for WDOL.gov Retirement

What should you do and know before the transition?

- **Subscriptions are NOT migrating from WDOL.gov to beta.SAM.gov**
 - If you have subscriptions, **prior to transition**, create an account at beta.SAM.gov and start following those same wage determinations
 - If you have 100 or more WDOL subscriptions, we will personally contact you to assist in saving your number codes prior to WDOL.gov retirement.

What happens to the WDOL.gov website?

After decommissioning, WDOL.gov will host a splash page with the following.

- Transition information
- Links to beta.SAM.gov

WDOL.gov is no longer the official website for federal contracting officers to use in obtaining appropriate Service Contract Act (SCA) and Davis-Bacon Act (DBA) wage determinations (WDs) for each official contract action.

beta.SAM.gov is now the official source of wage determinations

Helpful links:

DBA Workflow Results

The DBA workflow walks you through the steps for finding a wage determination. If you do not find one that meets your criteria (ex: your specific location), you must submit an e98 form to the Department of Labor. A contracting officer must incorporate a wage determination into a solicitation or contract for it to apply.
