# OS4 is Best In Class!

FSSI OS4 has been named Best-in-Class (BIC) for office supplies by OMB in September 2019. The Enhanced SINs are purchasing channel solutions that help federal customers achieve significant savings on their office supply purchases. The awards are the result of a collaborative team effort among customer agencies across the federal government. By combining the two current solutions (Multiple Award Schedule and FSSI OS4), this solution provides an opportunity to achieve significant savings and meet sustainable acquisition and other socioeconomic goals.
