Enterprise Infrastructure Solutions (EIS)
Business Support Systems Testing (BSST)
BSST Awardee Test Status Report
Report Date: August 8, 2018

GSA

1 Report Summary

This report indicates the progress of each EIS awardee's BSS Functional Testing. The report includes the acceptance date of each EIS awardee's final BSS Verification Test Plan and mandated testing completion dates in accordance with the EIS contract. Each EIS awardee must complete BSS Functional Testing no later than twelve (12) months after acceptance of their final BSS Verification Test Plan.

2 Vendor BSS Functional Testing Summary

Vendor testing percent completion reflects vendor progress based on 12-month requirement to complete BSS testing.

BSST Testing Vendor Percent Completion

AT&T 100.0%, BT Federal 59.0%, Core 100.0%, Granite 69.5%, Harris 65.5%, CenturyLink 82.0%, MetTel 100.0%, MicroTech 76.5%, Verizon Federal 100.0%

■ % Complete
