

HANDOUT COVER PAGE

Handout A: List of GSA Multiple Award Schedules

This handout contains a list of all (currently 40) GSA MAS.

Handout B: SINs for Services on GSA Multiple Award Schedules

This handout contains a list of all Schedules and its SINs that are services related. Note that it does not include product SINs even if the MAS shown also has products.

Handout C: NAICS Codes Cross-Reference to GSA Schedules with Services

This handout contains a NAICS cross-reference to all the MAS/SINs included in Handout B.

Handout D: Advantages of using GSA Multiple Award Schedules

This handout contains a comprehensive list of advantages with detailed end notes including links to applicable FAR and cases.

Handout E: GSA Schedule Task Order File Checklist For Federal Supply Schedule Services Exceeding the Micropurchase Threshold

This handout contains a checklist complete with relevant regulation links.

Handout F: Think Simplified (Not FAR Part 15)

This handout contains important details on why you want to avoid using FAR 15 procedures which are **ALL** inapplicable to Schedule orders.

Handout G: How Can I Read the Clauses in the GSA Contracts for a Particular Schedule?

This handout contains screen shots for how to find MAS contract clauses.

Handout H: Resources for Schedules Information & Training

This handout contains useful website locations for additional information and training.
