GSA Federal Acquisition Service Conducting Market Research

Brian Boothe and David Dehon
Customer Account Managers
GSA Office of Professional Services and Human
Capital Categories

June 8, 2017

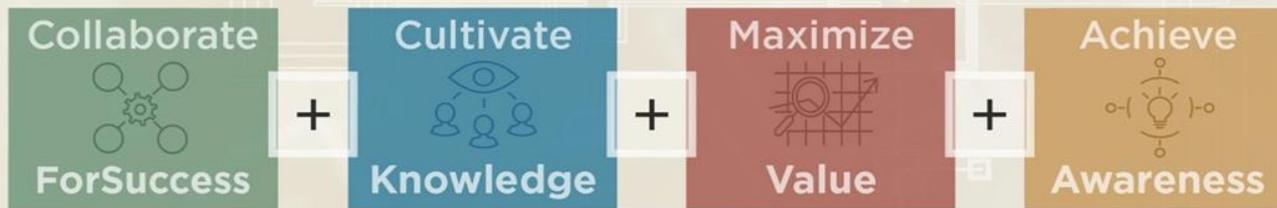

GSA Federal Acquisition Service (FAS) – Who We Are

- **The FAS Mission:** Support our customers with government-wide contract vehicles and sources of supply, eProcurement tools and assisted services.
- **The FAS Vision:** Become the Government Acquisition Marketplace.

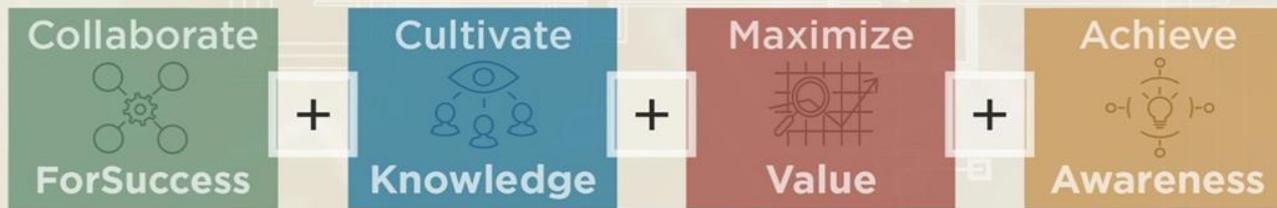

GSA/FAS – What We Do for You

- We are here to help you as you fulfill your mission.
- We are here to provide acquisition solutions and support services for you to use as you do your job.
- We are here to help your agency save taxpayer money with these solutions.
- We are here to make your life a little easier!

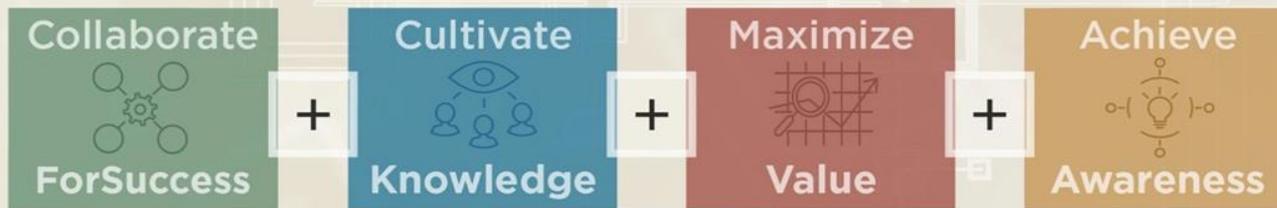

First things first – you need stuff to do your job, right?

- How many have purchase authority?
- How many do market research prior to agency purchases?
- How do you get what you need to do your job?

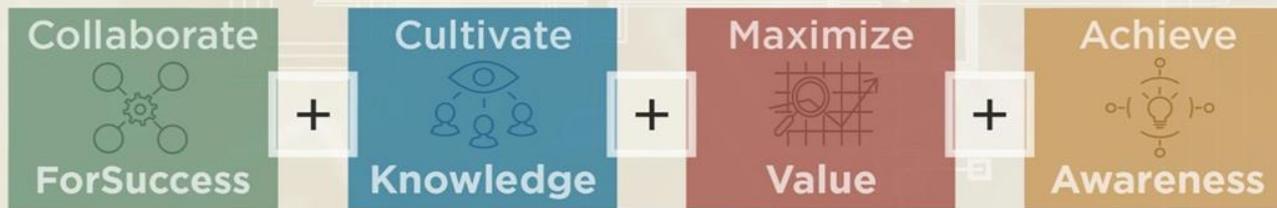

FAR Part 8: Priority Sources of Supply

- Agency inventories
- Excess agency inventories**
- Federal Prison Industries (Unicor)
- Products available from the Committee for Purchase from People Who are Blind or Severely Disabled
- Wholesale supply sources (such as stock program)**
- Federal Supply Schedules**
- Commercial sources

**GSA Personal Property
Management
“Your First Source of Supply”
Agency inventories**

Total Disposal Process

- Offer property within your agency
- Offer property to other Federal agencies
[GSAXcess.gov](https://gsaxcess.gov)
- Offer property to the States
[GSAXcess.gov](https://gsaxcess.gov)
- If no takers on the above, then it may be sold to the public
[GSAAuctions.gov](https://gsaauctions.gov)
[GovSales.gov](https://govsales.gov)

Welcome to GSAXcess®

[Click Login Button to Login](#)

GSAXcess.gov is the entry site for the Federal Excess Personal Property Utilization Program and the Federal Surplus Personal Property Donation Program operated by the General Services Administration. Your agency can report excess personal property for transfer by GSA to other Federal and State Agencies for Surplus Property (SASPs) as well as search for and obtain excess personal property. Your agency can also report and transfer excess computers and peripheral equipment to schools and educational nonprofit organizations through the Computers for Learning program or post your CFL transfers done outside our system. This site is not intended for the general public.

Shuttle Tile

Get started by selecting a tab at the top of this page!

What is GovSales.gov?

GovSales is a consolidated, citizen friendly web site that makes it easy for the public to find government assets for sale.

What is available on GovSales.gov?

Find land, houses, jewelry, cars, trucks, tools, computers and many other exciting items. Check out the web site today. Thousands of items, updated daily.

How does GovSales.gov work?

Choose the category you would like to search by selecting a tab at the top of the page. Search and locate thousands of items for sale. Select any item listed for sale and you're taken to the seller's web site to bid or buy the item you want. On-line auctions require that you register with the seller to participate.

How do the Auctions work?

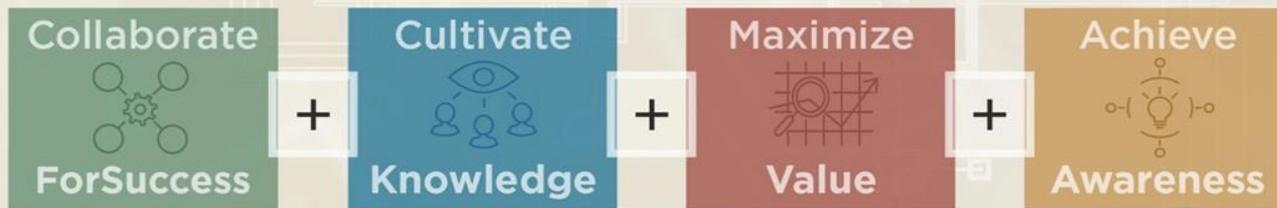

Citizens can locate online auctions or find listings for live auctions through the GovSales.gov web site. The online auctions allow bidding on items over a period of time, typically seven days. The GovSales.gov web site also advertises when live auctions take place across the country. Live auctions are regularly scheduled and are open to the public.

Going Green with GovSales.gov!

GovSales.gov is an integral part of the Government's commitment to going green. Reutilization is the ultimate in recycling.

Executive Order 12999

Computers for Learning

- Donate computers directly to schools
- Provide copy of donation to GSA
- Do not include software unless licensing is transferable
- Select school with greatest need or pick from schools registering needs on website...

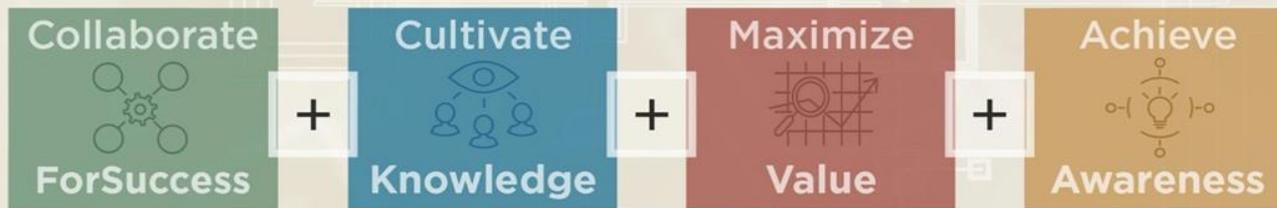

www.computersforlearning.gov

FAR Part 8: Priority Sources of Supply

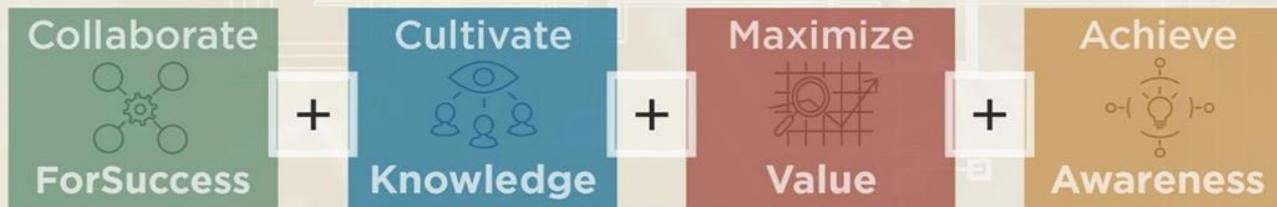

- Agency inventories
- Excess agency inventories**
- Federal Prison Industries (Unicor)
- Products available from the Committee for Purchase from People Who are Blind or Severely Disabled
- Wholesale supply sources (such as stock program)**
- Federal Supply Schedules**
- Commercial sources

GSA Global Supply

GSA Global Supply proactively supports the federal community by providing mission-critical collaboration in global supply chain services, including best-value access to competitively priced products, strategic partnering alliances, and adaptive solutions.

GSA Global Supply - Requisitions

- Regardless of order size or dollar volume
- FAR, JWOD, Executive Orders: We do the work
 - Requisition vs. procurement
 - Leverage our expertise
- Buy with confidence
- Already competed
- No multiple sources

GSA Global Supply - Global Delivery

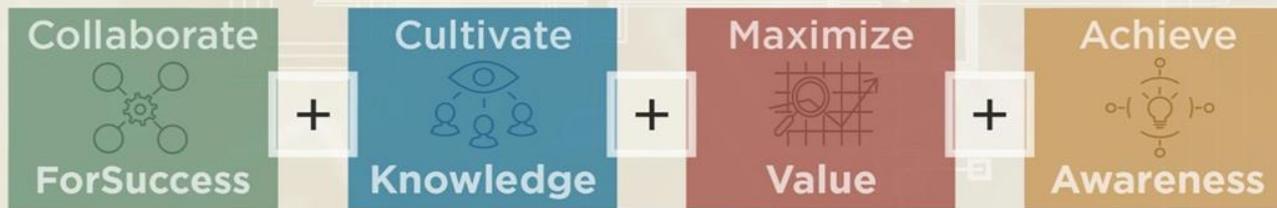

GSA Office of Retail Operations has two dozen retail outlets extending from the United States to Japan and Korea to Djibouti. RO is partnering with industry leaders in office and industrial supplies to offer an attractive alternative to traditional base supply stores. With product lines customized to fulfill local requirements and displayed in attractive, commercial-equivalent settings, RO is able to satisfy customers' requirements for immediate access to common consumables.

Easy to find and order:
GSAAdvantage.gov
or
GSAGlobalSupply.gsa.gov

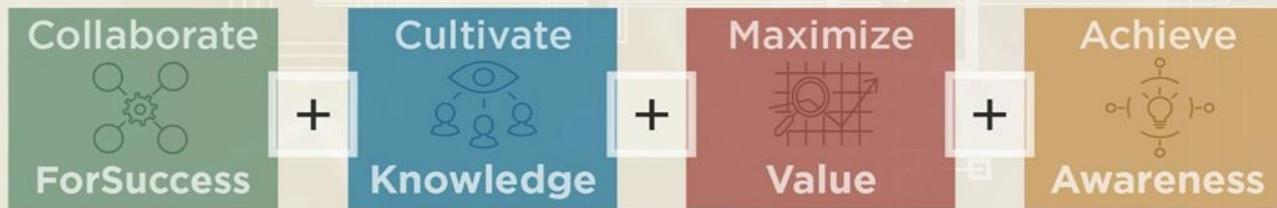

FAR Part 8: Priority Sources of Supply

- Agency inventories
- Excess agency inventories**
- Federal Prison Industries (Unicor)
- Products available from the Committee for Purchase from People Who are Blind or Severely Disabled
- Wholesale supply sources (such as stock program)**
- **Federal Supply Schedules****
- Commercial sources

GSA Federal Supply Schedules Program

- Office of Acquisition Operations provides commercial solutions to customers worldwide at reduced costs to the government. Commonly referred to the Multiple Awards Schedule (MAS) Program.
- Contracts with more than 14,000 commercial firms
- More than 11 million commercial services and products
- Brand name products from Security to Furniture to Laboratory Equipment
- Extensive services from Environmental to Professional Engineering to Temporary

What is the GSA Multiple Award Schedules (MAS) Program?

- Contractors promote their own products and Services directly to the customer
- Contractors keep track of sales and submit .75% Industrial Funding Fee to GSA
- No Head-to-Head competition for obtaining a MAS contract. Contracts are awarded with “Most Favored Customer Pricing”
- Customer competes individual purchases and makes a best value determination

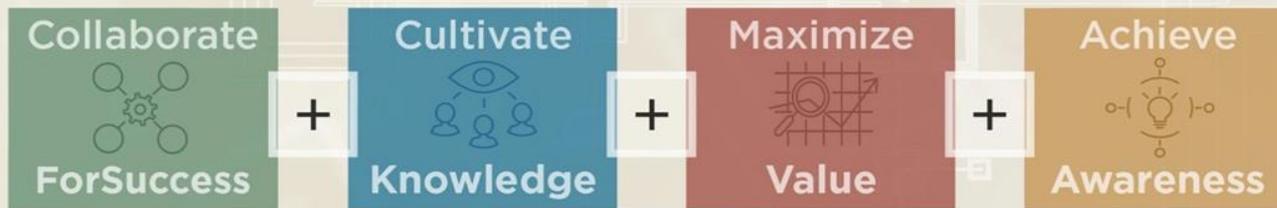

GSA Multiple Award Schedules...

An excellent “acquisition value”

- ✓ All applicable laws and regulations have been applied
- ✓ Synopsis is not required **FAR 6.102(d)(3)**
- ✓ Competition requirements have been met, simply compare 3 schedule sources if over \$3,000 and make best value determination
- ✓ No “separate” price determination needed - Prices already determined fair and reasonable **FAR 16.505(b)**
- ✓ 100% commercial products and services
- ✓ New technology and products continually added
- ✓ “Evergreen” contracts ensure constant contract coverage
- ✓ Worldwide Coverage
- ✓ Volume Discount Pricing
- ✓ No Order Limitation

NOTE: Schedule orders and BPA's are considered competitive. (Don't seek competition outside the Schedules.)

What Services are Available on Schedule?

- Environmental Services
- Professional Engineering Services
- Logistics Services
- Language Services
- Management and Consulting Services (including Training)
- Temporary Administrative and Professional Services
- Information Technology Services
- Advertising and Marketing Services
- Financial and Business Solutions
- Security Solutions
- Facilities Maintenance
- Disaster Relief

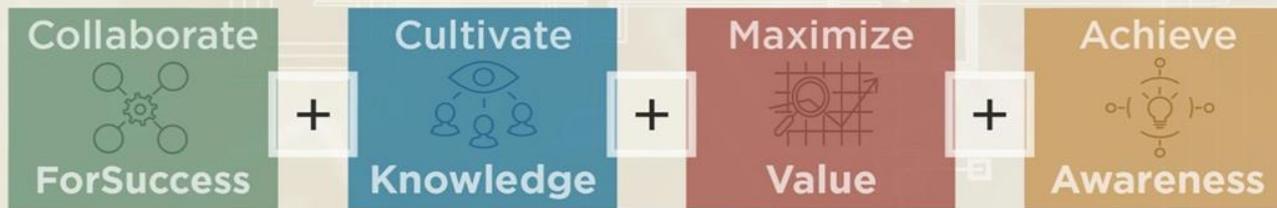

What Supplies are Available on Schedule?

- Office Supplies and Equipment
- Tools and Hardware
- Building and Industrial Materials
- Furniture
- Scientific Equipment
- Information Technology Products
- Vehicles and support equipment
- Appliances and Food Services
- Law enforcement, Fire, and Security Products

Schedule or GWAC - The Choice is Yours

- Solutions-based contracts for professional services, information technology services and related products
- Shortened procurement lead time
- Contractors selected through Best Value Source Selection process
- Foster competition yet save time and money through use of streamlined acquisition approach (FAR 16.505)
- OMB Memo “Improving the Management and Use of Interagency Acquisitions” (June 6, 2008)

Available Technology GWACs:

➤ *Enterprise GWAC*

- *Alliant*

➤ *Small Business GWACs*

- *8(a) STARS II*
- *Alliant Small Business*
- *VETS2*

Best in Class IDIQs for Innovative Professional Services:

➤ *OASIS & OASIS SB*

- *Innovative MACs for complex professional services.*

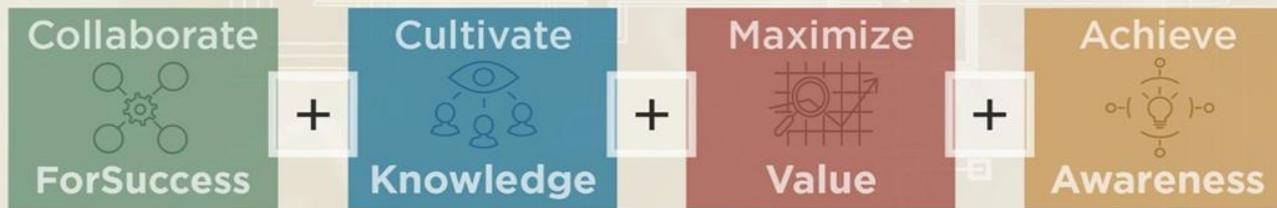

➤ *Blanket Purchase Agreements (BPAs)*

- *PM/CPI*
- *Identity Protection*
- *HCaTS*

Why Use a GWAC?

- Paths to achieve socioeconomic goals (Small Business GWACs)
- Support small business through aggressive subcontracting goals at prime contract level
- Provide full gamut of contract types
- Limited protests for task orders (scope, period of performance and dollar value up to \$10M)

GSA's Expanded Services - Overview

Description matches

Source	Description
00CORP	The Professional Services Schedule (PSS) - The Professional Services Schedule (PSS) enables Federal agencies to procure a wide variety of professional services using a single Schedule contract.

Professional Engineering **Services**

Category	Description
871 4	Test and Evaluation - Services required under this SIN involve the application of various techniques demonstrating that a system (subsystem, program, project or activity) performs in accordance with the objectives outlined in the original design. Typical associated tasks include, but are not limited to testing of a prototype, first article(s) testing, environmental testing, performing inspections and witnessing acceptance testing of fire protection and life safety systems as they relate to professional engineering services , independent verification and validation, reverse engineering, simulation and modeling (to test the feasibility of a concept), system, quality assurance, physical testing of the product system, training, consulting, receptions and inspection of Government Furnished Equipment / Satellite, conduct testing and safety audits. Example: The navigation satellite-working model will be subjected to a series of tests, which may simulate and ultimately duplicate its operational environment. Professional engineering solutions do not include architect-engineer services as defined in the Brooks Act and FAR Part 2 or construction services as defined in the Federal Acquisition Regulation Part 36 and Part 2. An implementation guide for Space launch Integration Services (SLIS) can be found at www.gsa.gov/psschedule - click on ?Professional Engineering Solutions?. Guide is applicable to SINs 871-2, 871-3, 871-4 and 871-5.

Environmental **Services**

Category	Description
899 1	Environmental Consulting Services - The services include, but are not limited to consultation in the areas of: Planning and Documentation Services for the development, planning, facilitation, coordination, and documentation of and/or for environmental initiatives (or mandates such as Executive Order 13693 in areas of chemical, radiological, and/or hazardous materials; ISO 14001 Environmental Management System (EMS) and sustainable performance measure development; Environmental Assessment (EA) and Environmental Impact Statement (EIS) preparation under the National Environmental Policy Act (NEPA); Endangered species, wetland, watershed, and other natural resource management plans; Archeological and/or cultural resource management plans; Environmental program and project management; Environmental regulation development; Climate change adaptation and resiliency planning and implementation support, including but not limited to, identifying climate risks and impacts; applying and interpreting climate and impact assessment model outputs; development and/or implementation of solutions to build climate resilience, reduce identified climate risks, and/or provide both climate change mitigation and adaptation benefits; climate decision support, risk management, and vulnerability assessments and analyses; and climate risk communications and training; Economic, technical and/or risk

RFI vs. RFQ: Best Practices and Conditions for Use

RFI

1. Used for market research purposes and for the exchange of information with industry prior to the receipt of proposals
2. One means of obtaining and collecting information about capabilities within the market to satisfy requirement needs
3. Helps determine if adequate competition exists

RFQ

1. Precise specifications and/or SOW exist
2. Known competition exists
3. Selection criteria have been developed

Tuesday, February 15, 2011

Buyers

Prepare an Online Request For Quote (RFQ)

Step 1. Assign Category & Select Vendors

In order to identify vendors who supply the products or services you are looking for, enter keywords that describe your requirement in the search box below. The search results will provide categories matching your search criteria. Vendors listed under the category(s) selected will have access to your RFQ or RFP, and may quote (certain exceptions for some GWACs). For a complete listing of Multiple Award Schedules (MAS) or Technology Contracts, click on the links below.

Step 1. Assign Category & Select Vendors

Instructions: Listed below are vendors who currently have contracts under the Category you selected. Place a "check" next to the vendors whom you would like to quote on your RFQ. The vendors you select will receive an e-mail notice inviting them to quote on your requirements. You may request a quote from any or all vendors listed. In order to satisfy FAR requirements, you should request quotes from at least three (3) vendors (if available). Remember, vendors are not required to submit a quote.

Reminder: Other vendors listed under this category may view and quote on the RFQ even if they have not been selected to receive an email invitation. In the event of a set-aside, ALL eligible vendors must be able to view the RFQ.

[Download Contractors \(Excel\)](#)

Category	Description
100 01	Introduction of New Services - A new service may be a task, procedure, or product existing in the commercial market which is being developed, improved or has not been introduced to the Federal Government. A new service is not currently available under any GSA Contract, but is categorically related to the procurement of professional services under this Schedule.
100 03	Ancillary Supplies and/or Services - Ancillary supplies and/or services are support supplies and/or services which are not within the scope of any other SIN on this schedule. These supplies and/or services are necessary to compliment a contractor's offerings to provide a solution to a customer requirement. This SIN may be used for orders and blanket purchase agreements that involve work or a project that is solely associated with the supplies and/or services purchased under this schedule. This SIN EXCLUDES purchases that are exclusively for supplies and/or services already available under another schedule. Special Instructions: The work performed under this SIN shall be associated with existing SIN(s) that are part of this schedule. Ancillary supplies and/or services shall not be the primary purpose of the work ordered, but be an integral part of the total solution offered. Ancillary supplies and/or services may only be ordered in conjunction with or in support of supplies or services purchased under another SIN(s) of the same schedule. Offerors may be required to provide additional information to support a determination that their proposed ancillary supplies and/or services are commercially offered in support of one or more SIN(s) under this schedule.

Advertising & Integrated Marketing Solutions (AIMS)

Category	Description
541 1	Advertising Services - Provided under this SIN will promote public awareness of an agency's mission and initiatives, enable public understanding of complex technical and social issues, disseminate information to industry and consumer advocacy groups and engage in recruitment campaigns. Services include, but are not limited to the following components: advertising objective determination, message decision / creation, media selection, outdoor marketing and media services, broadcast media (radio, TV and public service announcements), direct mail services, media planning, media placement services, advertising evaluation, related activities to advertising services.

Welcome to GSA Contracts Online!

Contracts Online is designed to provide access to specific contract terms and conditions for a selected contract. Exceptions taken by the contractor to any standard contract clauses in the solicitation are also noted for your convenience. Contracts Online was developed to provide greater visibility of GSA contract information when performing market research and/or placing orders.

Environmental Program

Environmental Program

Welcome to the GSA Environmental Program aisle on GSA Advantage.

Whether fulfilling a requirement or concerned about the environment, there are many reasons to choose environmentally sound products.

GSA Advantage offers thousands of products and services to meet your environmental purchasing goals. This Environmental page is designed to give you easy access to the wide variety of environmental products and services offered by GSA. We encourage you to purchase products designated as "Energy Star", "Recycled", "EPEAT" and more.

Note: For many products on GSA Advantage, vendors determine (self-certify) the environmental symbols listed with a product. If you have a question about a product's environmental specification, please contact the vendor directly for confirmation prior to placing order.

Go Green

GSA offers products and services that support your Green efforts and help our nation build a clean energy future and protect the environment.
