

GSA's Forecast of Contracting Opportunities Tool

**Presented by
de'Wayne Carter
Small Business Technical Advisor
Office of Small Business Utilization**

Background

- Need for automated tool to eliminate manual, inefficient process
- Process allowed for high risk of error, duplication in data collection efforts, and outdated information
- OSBU and 18F build automated Forecast tool
- Beta version of tool launched March 15

Benefits and Features

- Improved internal process
 - Flexibility to add/update information
 - Elimination of quarterly data calls
- Consistent information and improved data quality
- One automated tool used throughout the agency
- Focuses on acquisition planning
- Agile product based on user and agency feedback
- Improved vendor communication and data transparency--
Making It Easier (MIE) initiative
- Vendors can prepare market strategy before opportunities post in FedBizOpps
- Enhanced user experience
- One-stop-shop for agency Forecasts
