

Question Number	Question	Response
1	Will the subject FSSI solicitation for the subject products be under a specific Schedule or several Schedules? If so, what Schedule/Schedules?	The MRO team is targeting specific SINS on Schedules 51 V and 56. The list of SINS will be announced at the Pre-Solicitation meeting on May 15, 2013.
2	Is Schedule 73, Food Service Eq, included in the current FSSI program for Jan/San?	Here is a short list of items from Schedule 73 that would be included: Absorbent Materials (paper towels, towels etc.), Aerosol Freshener Air/Sanitizers/Filters (Air Fresheners, Filters etc.) , Bags (Trash Bags, Liners etc.), Cleaning Compounds (Bleach, household cleaners etc.), Equipment Parts (Hoses, Broom Handles, Mop Heads, etc), Safety Products (Latex Gloves, Aprons, First Aid Kits, etc.), Motorized Cleaning Equipment (Shop Vacs, Vacuums, Floor Buffers, etc.), Non-motorized Cleaning Equipment(Mops, Brooms, Buckets, Trash Cans, etc.), Kitchen, Laundry, Personal Sanitation Products (toilet Paper, Soap, Disinfectants, etc.), Outdoors JanSan (Deicer, Salt, Outdoor Brooms, etc.), Surface Protection Supplies (Polishes, Waxes, etc.)
3	Could you please send me a quick note as to where I could learn more about GSA Schedule 81 1 B be integrated into FSSI and what the proposed timing of such would be and how or where the solicitation will come out?	At this time Schedule 81 I B is not being considered as part of the solution for the MRO or JanSan FSSIs. The RFQ will be posted on eBuy in mid-June 2013.
4	Is part marking/direct part marking, labeling, and bar coding are types of tasks that are a part of the MRO initiative?	RFQ and discussed at the Pre-Solicitation meeting on May 15, 2013. If you are unable to attend the meeting we hope to be able to provide a transcript that will be available on GSA's Interact blog at https://interact.gsa.gov/group/federal-strategic-
